

This image displays 15 hand-drawn web design mockups arranged in a grid. The designs are created with simple black outlines and flat colors, giving them a sketchy, conceptual appearance. The mockups include: 1. A browser window with a back button, address bar, and search icon. 2. A bakery website header for 'Pasteles GUGA' with a cake icon and a headline 'La mejor selección de postres de tu ciudad'. 3. A sign-up form titled 'Sign Up & Start Your Free Trial' with fields for name, email, and password, and a 'Sign Up with Google' button. 4. A grid of four cake products, each with a 'Seleccionar' (Select) button. 5. A shopping cart interface with a table listing items (Pastel1), quantities, and totals, along with a 'Total final' and buttons for 'Apartar', 'Cancelar', and 'Pagar'. 6. A decorative horizontal squiggle. 7. A bar chart with four bars of varying heights. 8. A pie chart divided into two segments. 9. A calendar for March 2022, showing the days of the week and dates, with the 3rd highlighted.
